

ADVENT/CHRISTMAS SEASON 2020

All of the worship services, both on Sunday mornings and mid-week will be offered live, via live streaming if that platform becomes activated, and as a video-taped service accessed on our St. Albert United website and Facebook page. Given the COVID pandemic situation this schedule is somewhat “fluid” and may have to change. Final decisions about Christmas Eve in particular have yet to be made. Please watch for updates as we get closer to the dates.

- | | | |
