Hurry Up and Wait

It should come as no surprise, but council met briefly last week, and we have unanimously chosen to abandon plans to reopen for in-person worship on April 25th. While we are encouraged by the continuing vaccination efforts in our province, the current Covid case numbers and the increasing presence of the variants of concern make us certain that we should continue with virtual worship services only for the time being.

Council, along with the Re-Open Team will continue to monitor the situation and will communicate with our membership when we feel that conditions are safe enough to recommence our worship in person.

In the meantime, we will continue to work toward enhancing our live-stream worship services and we encourage all of you to try to stay connected with one another and to keep each other safe.

Please stay tuned.

We will share more information as it becomes available; please visit <https://stalbertunited.ca/> or the SAUC Facebook page for updates.
