FUNDRAISER SEPTEMBER 10, 2022

WE ARE SOLD OUT!!

As you are all aware by now Elvis is in the SAUC building on September 10th!! He is bringing his friends Buddy Holly & Johnny Cash for a fun filled evening. Our charming young singer Sofiya Chvojka and her very own piano accompaniment Simon Abbott will also join in the festive evening.

A footnote to the above:

This event will be similar to going to the “**theatre**” for an evening out!

No dinner being served; no auction, no game playing, just an evening where you sit back and enjoy the entertainment. You will get a snack and if you wish you can purchase a glass of wine or beer cost \$5.00 each.

DOCTRINE OF DISCOVERY

From an Indigenous perspective: The Doctrine of Discovery provided a framework for Christian explorers, in the name of their sovereign, to lay claim to territories uninhabited by Christians. If the lands were vacant, they could be defined as “discovered” and sovereignty could be claimed. When Columbus arrived in N. America in 1492, the Indigenous Peoples were invisible.

Podcast Invites Kids to Engage Deep Spiritual Questions

[Photo credit: The Scribblers Story]

“Narnia with kid actors and a soundtrack” is how [The Scribbler’s Story Project](#)—a series of podcasts supported through Mission & Service gifts—describes itself. With help of your generosity, new episodes are being released every Monday this summer, taking children on a uniquely fun adventure to engage with deep, spiritual questions.

Are you a parent or grandparent with children home for summer vacation? Looking for healthy, screen-free, and imaginative ways to engage them and nurture their Spirit at the same time?

[The Scribblers Story](#) (opens in a new tab), a new Christian children’s podcast, just might be the answer.

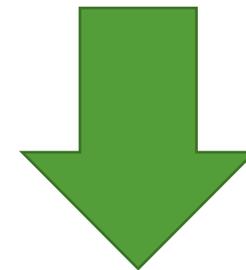

The podcast takes a creative approach to encourage children to explore their imagination and faith without using screens. Described as “Narnia with kid actors and a soundtrack,” the adventurous storyline released in 15-minute episodes every

Monday through the summer, takes children on a purposeful and fun journey to engage with deep spiritual questions. “Especially over the past few years, children have been spending more time on screens. Podcasts and audiobooks inspire the use of imagination and creativity in children, and are more portable than TV shows and movies. Perfect for bedtime or car rides!” says Amy Van Wensem, the show’s Executive Producer.

Not only are the podcasts convenient, portable, and allow listeners to relax or multi-task while tuning in on their own time, they also give blossoming young actors like Paige, Isaac, and Jakob (pictured above), an opportunity to grow their faith and skills in a professional, exciting environment. Supported by [Vision Fund](#) and [Embracing the Spirit](#) grants, *The Scribblers Story* is one of a stellar lineup of exciting projects to receive funding. Both grant programs are designed to inspire innovation and are supported by generous gifts to Mission & Service.

Best of all, *The Scribblers Story* is a **free** resource for children and families, and it’s available on Spotify, Apple Podcasts, iHeart, and Buzzsprout. Please share it widely with your communities and networks!

And, as always, thank you for supporting innovative ministry projects through [Mission & Service](#).

CANTILON NEWS!

Last season, the Cantilon Children's Choir had the privilege of working together at St. Albert United Church. While we are returning to Sir Alexander MacKenzie School this year, we are so grateful to you for giving us a home.

This year, we have exciting news! We are, once again, going to be running programs for singers ages 4-6 (**KinderSingers**) and 6-9 (**Primary Choir**) in St. Albert!

If you have a child that loves to sing, our program is for you! Watch your child thrive in an environment of fun and friendship while they strive for excellence and grow as individuals and singers. Experience joy, acceptance, pride, appreciation, and compassion singing alongside others.

The amazing Amy Bautista is the leader for the **KinderSingers** group in St. Albert -- she would love to share her passion for music with your child.

Please visit our website for more information about our program www.cantilonchoirs.ca, and feel free to email admin@cantilonchoirs.ca with any questions.

Here is a video of our Primary Choir that we hope you enjoy:
