**ENFRANCHISEMENT**

In 1920 the Indian Act was amended with an addition. The “fitness” of an Indian (male or female) over the age of 21 to become enfranchised was to be decided by a board of examiners. Following their assessment, the Indian would be enfranchised 2 years later, and would no longer be an Indian, nor a govt. responsibility. This provision was repealed 2 years later, only to be reintroduced in a modified form in 1933, where it remained until revision of the Indian Act in 1951.

### FUNDRAISER SEPTEMBER 10, 2022

As you are all aware by now Elvis is in the SAUC building on September 10th!! He is bringing his friends Buddy Holly & Johnny Cash for a fun filled evening. Our charming young singer Sofiya Chvojka and her very own piano accompaniment Simon Abbott will also join in the festive evening.

### A footnote to the above:

This event will be similar to going to the “theatre” for an evening out!

*No dinner being served; no auction, no game playing,* just an evening where you sit back and enjoy the entertainment. You will get a snack and if you wish you can purchase a glass of wine or have a beer – cost \$5.00 each.

**Tickets are going fast. If you still want a ticket get one soon from Laurie in the office or Myra.**

Thank you.

## Searching for another Gardener or two for SAUC

Myra Avey is retiring from all gardening duties this year. She truly needs a replacement or two. She will stay on until September to show people the ropes! You will need to water all plants 3 times a week. On Saturday's you will need to “dead head” all the flowers and weed all the flower beds as needed. Please contact Laurie Symbaluk at the office during regular business hours or by email at:
